

## Cleaning and Waste Disposal Services

During the rental period—including preparation, setup, and dismantling—the cleaning and waste disposal of all rented facilities (including auxiliary spaces) shall be the responsibility of the event organizer, both in terms of execution and cost.

All waste generated, including that from halls, waiting rooms, and dressing rooms, must be removed from the premises by the organizer.

Paid cleaning and waste disposal services are available through our on-site contractor. If you wish to use these services, please consult with your sales representative in advance.
