Terms of Service

This website (hereafter referred to as “this site”) is operated by Tokyo International Forum Co., Ltd. (hereafter referred to as “the Company”). By using this site, you agree to the following.

Usage restrictions

All information on this site is copyrighted by the Company, which is protected by the copyright laws, conventions, and other laws in various countries. Except in cases where special provisions are made, personal use of this information, other use that exceeds the limits established by the copyright laws, and general use of the information (including duplication, modification, and distribution) is prohibited.

Use of trademarks

The trademarks, logos, and service marks found on this site are the property of the Company or their respective owners. These trademarks are not licensed for users of the site. Unauthorized use of the trademarks found on this site is prohibited.

Content guarantee

Although the Company strives to provide the most accurate and up to date information on this site, its completeness is not guaranteed. The Company accepts no responsibility whatsoever for any mistaken or missing information on this site. The content of the site is subject to change without prior notice.

Disclaimer

Use and viewing of content on this site is on the responsibility of the individual only, and the Company and other relevant parties involved in the creation and publishing of this site accept no responsibility whatsoever for any damages (including damages to computers or networks, whether direct or indirect) or repair costs incurred by accessing or using the site.

Reminder for the automatic translation service users

The automatic translation service “Google Translate” is available for use on our website. Please note that the translation results obtained by using this service are not 100% correct. When you contact us for information, our staff members will be at your service in Japanese or English; no other language option will be available.

- The automatic translation system is a machine translation and the renditions are not always correct. They may be incorrect or different from what our original text means.
- Note that automatic translation may change the sentence structure of the original text.
- The automatic translation does not work for characters in the graphical contents.
- Tokyo International Forum is not responsible for ensuring the results obtained by using the automatic translation system.

Acquisition of access logs via Google Analytics

This site uses cookies for analysis and to make improvements, and acquires access statistics of this site via Google Analytics. Google Analytics automatically identifies your IP address when connected to the internet, your browser type and version, operating system, and information on pages viewed. Google Analytics references cookies to identify the user’s browser, but cannot identify individual users. For more information on how Google Analytics collects and processes data, see the following site.
